

Dear Valued CFD Clients,

For US markets, we now provide Pre & Post Market Sessions. Please take note that **Buy and Sell** orders for pre-market begin at 4:00 AM (EST). Only **Limit Order** is allowed.

	US Time	Remarks
<b>Pre-Market Trading</b>	4:00AM- 9:30AM EST*	Orders that aren't filled will be sent to the Continuous Trading Session.
<b>Continuous Trading</b>	9:30AM- 4:00PM EST*	Orders that aren't filled will be sent to the Post Market Session.
<b>Post-Market Trading</b>	4:00PM- 5:00PM EST*	At the end of the Post Market Session, any orders that aren't filled will be purged.

If a pre-market order is not filled, it will be carried over to normal trading hours and then to post-market. The order will be **purged** if it is not completed by the end of the post-market session.

Example of Pre-Post Market US order: Select "Add".

Place the following order:

Buy Sell

Buy by Volume Value

Volume 0

Order Type Limit

Limit Price (USD) 673.35

Lifetime End Of Day

Pre-Post Market US Server default
